Corporate Overview

At Prévoyance Solutions, we provide tailored project management services to meet our clients' unique needs. From **post-construction cleaning** that ensures pristine, safe spaces, to efficient **post-disaster monitoring and debris removal** that restores normalcy, and seamless **event management** for flawless execution—we focus on delivering results that exceed expectations. Our adaptable approach ensures we manage each project with precision, helping our clients achieve their goals **quickly** and **effectively**.

Past Performance

Project Management Expertise: Ensured high-quality outcomes by working with vetted contractors for renovations and community projects, including **debris removal**, tree cutting, landscaping, roofing, and HVAC replacement, providing clients with peace of mind throughout the process. Built strong relationships with clients through a trained customer care team, prioritizing their needs for a seamless project experience. Focused on budget management and transparency, provided detailed records, keeping clients informed and reducing stress.

Nadine Vazquez brings over 20 years of leadership experience in training, consulting, and **event management**, along with more than 6 years in post-construction cleaning. Her adaptable skill set and attention to detail consistently ensure quality, timely delivery, and client satisfaction. Additionally, she has actively contributed to her community through volunteer efforts in hurricane preparation and **post-disaster cleanup**, demonstrating her commitment to supporting those in need. Alongside her dedicated team, Nadine is committed to meeting your needs and ensuring your satisfaction.

If you need support with recovery efforts, contact us at nadine@prevoyance.llc or (480) 803-4250. We are here to help you.
